# About Karma Foundation Trust

Karma Foundation Trust, founded in 2021, is a non-profit organization dedicated to social welfare and community development. Our mission is to uplift underprivileged communities through sustainable and impactful initiatives. We focus on key areas such as health, education, environmental sustainability, and cultural preservation to create a better and more equitable society.

In the field of health, we organize medical camps, awareness programs, and access to essential healthcare services for marginalized communities. Our education initiatives aim to provide quality learning opportunities, scholarships, and resources to underprivileged children, empowering them with knowledge and skills for a brighter future.

Environmental sustainability is at the core of our efforts, with projects centered on afforestation, waste management, and promoting eco-friendly practices. By raising awareness and taking active steps, we contribute to a greener and healthier planet. Additionally, we are committed to preserving cultural heritage by supporting traditional arts, crafts, and historical landmarks, ensuring that rich cultural legacies are passed on to future generations.

Karma Foundation Trust believes in long-term, meaningful change, working closely with communities, volunteers, and partners to bring about lasting impact. Through our holistic approach, we strive to build a more inclusive and sustainable society for all.

# MISSION & VISION

## Mission

Karma Foundation Trust is committed to driving positive social change by advancing education, preserving cultural heritage, enhancing healthcare, promoting social welfare, and fostering environmental sustainability. Our mission is to empower communities, uplift marginalized groups, and create opportunities for holistic development through knowledge sharing, skill development, and sustainable initiatives.

## Vision

Our vision is to create an inclusive, educated, and self-sufficient society where every individual has access to quality education, healthcare, and sustainable livelihoods. We strive to preserve and celebrate cultural heritage while encouraging innovation and social progress, paving the way for a brighter and more equitable future.

# Goals & Objectives

## Goals:

1. **Empower Communities:** Foster sustainable development by providing education, healthcare, and livelihood opportunities to underprivileged groups.
2. **Promote Education:** Ensure access to quality education, skill development programs, and scholarships for children and youth.
3. **Enhance Healthcare Services:** Conduct health camps, awareness programs, and provide medical assistance to underserved communities.
4. **Environmental Sustainability:** Advocate for eco-friendly practices, afforestation, waste management, and climate change awareness.
5. **Preserve Cultural Heritage:**  
Support and promote traditional arts, crafts, and historical landmarks to maintain cultural identity.
6. **Encourage Social Welfare:**  
Implement programs that support marginalized communities, women's empowerment, and social inclusion.
7. **Drive Innovation & Progress:**  
Foster innovation through research, community-based solutions, and sustainable development projects.

# MISSION & VISION

## Mission

Karma Foundation Trust is committed to driving positive social change by advancing education, preserving cultural heritage, enhancing healthcare, promoting social welfare, and fostering environmental sustainability. Our mission is to empower communities, uplift marginalized groups, and create opportunities for holistic development through knowledge sharing, skill development, and sustainable initiatives.

## Vision

Our vision is to create an inclusive, educated, and self-sufficient society where every individual has access to quality education, healthcare, and sustainable livelihoods. We strive to preserve and celebrate cultural heritage while encouraging innovation and social progress, paving the way for a brighter and more equitable future.

# Objectives:

- Establish educational programs and skill development centers to equip individuals with knowledge and vocational training.
- Organize health awareness campaigns, free medical check-ups, and access to essential healthcare services.
- Implement environmental conservation initiatives, including tree plantation drives and waste management programs.
- Promote and safeguard cultural traditions through workshops, exhibitions, and financial support for artisans.
- Develop sustainable community projects to improve livelihoods and economic independence.
- Collaborate with organizations, government agencies, and volunteers to amplify social impact.
- Ensure equal opportunities for all, regardless of socioeconomic background, to foster a more just and inclusive society.

OBJECTIVE

- STRATEGY
- ACTION
- SUCCESS

# Strategy

Karma Foundation Trust adopts a holistic and sustainable strategy to drive social change by integrating education, healthcare, environmental sustainability, cultural preservation, and social welfare initiatives. Our approach focuses on community engagement, collaboration, and capacity building to create long-term impact. We work closely with local stakeholders, volunteers, and partner organizations to implement programs that empower marginalized communities. Through educational support, skill development, and healthcare services, we equip individuals with the tools to improve their lives. Our environmental initiatives promote conservation and sustainable practices, while our cultural programs preserve heritage and traditions. By fostering innovation, advocating policy changes, and mobilizing resources, we strive to create an inclusive, self-reliant, and progressive society for future generations.

## KEY ACTIVITIES & ACHIEVEMENTS

### 1. Health & Wellness – Eye Camp Initiative

Karma Foundation Trust has successfully organized multiple free eye camps, providing essential eye care services to over 1,500 individuals, particularly from underprivileged communities. These camps aim to address preventable vision impairments and promote eye health awareness. During the camps, participants receive comprehensive eye check-

ups conducted by experienced ophthalmologists and healthcare professionals. Free prescription spectacles are provided to those with vision impairments, ensuring they can carry out daily activities with ease. Additionally, individuals diagnosed with cataracts are offered free cataract surgeries, restoring their vision and enhancing their quality of life. Our initiative not only improves eyesight but also empowers individuals by enabling them to work, study, and lead independent lives. Through continued efforts, we strive to extend quality eye care to more people, ensuring a brighter future for all.

## 2. School Sports Program

Launched in 2023, the Karma Foundation Trust's School Sports Program is designed to promote physical fitness, teamwork, and overall well-being among students. Recognizing the importance of sports in holistic development, the initiative encourages young learners to engage in physical activities that build discipline, confidence, and teamwork.

As part of the program, we have organized inter-school competitions across various sports, providing students with opportunities to showcase their talent, develop leadership skills, and foster a spirit of healthy competition. To support active participation, we have also distributed high-quality sports kits, including equipment for football, cricket, badminton, and other popular sports.

By integrating sports into education, we aim to create a positive and energetic learning environment; ensuring students develop lifelong fitness habits and essential social skills for future success.

### 3. Environmental Sustainability – Tree Plantation Drive

Karma Foundation Trust has undertaken a large-scale Tree Plantation Drive, successfully planting over 5,000 trees across various locations to enhance green cover and combat climate change. This initiative aims to restore ecological balance, improve air quality, and promote biodiversity, contributing to a healthier environment for future generations.

To maximize community involvement, we have actively engaged local schools, volunteers, and community groups, educating them about the importance of tree plantation and environmental conservation.

Through awareness campaigns, interactive workshops, and hands-on tree-planting activities, we encourage individuals to take responsibility for a greener planet.

This initiative not only mitigates the adverse effects of deforestation and pollution but also fosters a sense of environmental stewardship. By expanding our efforts, we aim to create sustainable ecosystems and inspire long-term commitment to environmental well-being.

#### 4. Cleanliness & Hygiene - Cleanliness Program

Karma Foundation Trust's Cleanliness Program focuses on improving public health through community-driven initiatives aimed at promoting cleanliness and hygiene. We have organized numerous community clean-up drives in both urban and rural areas, bringing together local residents, volunteers, and organizations to remove waste, clear public spaces, and create cleaner environments. Alongside these drives, we have conducted awareness campaigns on waste management and hygiene practices, educating communities on the importance of proper waste disposal, recycling, and maintaining cleanliness to prevent the spread of diseases. By providing educational resources, distributing cleaning supplies, and engaging local stakeholders, we strive to foster long-term behavior change for a healthier, more sustainable environment. Our efforts aim to create a lasting impact by cultivating pride and responsibility in communities toward a cleaner, healthier future.

## 5. Women Empowerment & Economic Development – Awareness Program for Self-Help Groups (SHGs)

Karma Foundation Trust's Awareness Program for Self-Help Groups (SHGs) is designed to empower women by providing them with the tools and knowledge needed to achieve economic independence and sustainability. Through training sessions focused on financial literacy, entrepreneurship, and sustainability, we have equipped SHG members with essential skills to manage their finances, start small businesses, and make informed financial decisions.

Additionally, we have offered guidance on accessing government schemes and micro-financing opportunities, helping women unlock resources that enable them to grow their businesses and improve their livelihoods. By fostering financial independence and entrepreneurship, our program not only contributes to women's empowerment but also promotes sustainable economic development within local communities, ensuring long-term prosperity for women and their families.

## 6. Culture & Heritage – Cultural & Heritage Programs

Karma Foundation Trust's Cultural & Heritage Programs aim to preserve and promote local traditions, arts, and cultural identities. We have organized vibrant folk dance and music programs to celebrate and showcase traditional art forms, providing a platform for local performers and fostering appreciation for cultural heritage within communities. These events also encourage younger generations to connect with their cultural roots.

Additionally, we have conducted heritage walks and educational sessions for school students, guiding them through historical landmarks and teaching them about their cultural significance. These activities aim to instill a sense of pride in their heritage, while educating students about the importance of preserving cultural traditions for future generations. Through these initiatives, we strive to ensure that cultural richness is celebrated and passed down, keeping traditions alive in the modern world.

## 7. National Celebrations – National Day Celebrations

Karma Foundation Trust actively celebrates National Day events such as Independence Day, Republic Day, and other significant national occasions with widespread community participation. These celebrations are a way to honour the nation's history, values, and unity.

As part of these festivities, we host flag-hoisting ceremonies to mark the significance of each day, followed by cultural performances showcasing patriotic songs, dances, and artistic expressions that reflect the spirit of the nation. To inspire and motivate attendees, we also organize motivational speeches by eminent personalities, community leaders, and respected figures who share their insights on the importance of national unity, pride, and progress.

Through these celebrations, we encourage a sense of patriotism, collective responsibility, and national pride, fostering stronger community bonds and honouring the heritage of our country.

# Conclusion

In conclusion, Karma Foundation Trust remains dedicated to its mission of creating lasting social change through sustainable initiatives in health, education, environmental conservation, cultural preservation, and economic development. With a focus on empowering marginalized communities, we strive to enhance the quality of life and provide opportunities for growth and self-reliance. Our on-going and future projects, such as expanding our school sports program, increasing health camps, launching vocational training, and strengthening environmental initiatives, reflect our commitment to building a more inclusive and prosperous society. By collaborating with local communities, volunteers, and partners, we aim to foster long-term positive change, instilling values of unity, sustainability, and progress. Through these efforts, Karma Foundation Trust aspires to make a meaningful impact and create a brighter, more equitable future for all.

# Acknowledgement

We would like to express our heartfelt gratitude to all the individuals, communities, partners, and volunteers who have supported Karma Foundation Trust in our mission to create positive social change. Your unwavering commitment, dedication, and active participation have been instrumental in the success of our initiatives. We extend our sincere thanks to the local communities for embracing our programs and making them a part of their lives. We also appreciate the invaluable contributions from our donors, supporters, and collaborators, whose generosity has made it possible for us to continue our work. Together, we have made significant strides in uplifting underprivileged communities, and we look forward to continuing this journey of empowerment, sustainability, and progress. Your continued support will help us reach even greater milestones in the future.

*Thank you*
